Puppet show

These people are all able to help you in an emergency.
You can push them out, glue them to a craft stick and create a puppet show.

Emergency card

If there's an emergency, it's good to have all of your important telephone numbers with you. That way you can ring anyone you need.

Get a grown-up to help you fill in your details on the card below, then push it out and keep it in your school bag or wallet. Craft stick and create a puppet show.
